HSAA Members and Friends,

I am Ella Lunn, a Respiratory Therapist at the Grey Nuns Hospital in Edmonton. I am honoured to be nominated and to stand for election as an Edmonton District Board Member.

I am deeply committed to advocating for all HSAA members—every one of you in the Edmonton District and across Alberta. I stand with all of you, in every discipline, working tirelessly to ensure that our voices are heard, our rights are protected, and our work environment reflects our dedication and hard work.

I have been actively involved with our union for over 15 years. Proudly serving as a Group Representative and Co-Chair of the GNH LUE, I worked diligently to create—and currently chair—the GNH Employee Management Advisory Committee (EMAC).

Currently, I serve on the Covenant Bargaining Committee, fighting hard for a fair collective agreement that meets and exceeds the needs of our members. I have also served on the HSAA Women's Committee, the Covenant Joint Committee, and the previous Covenant Bargaining Committee.

Thank you for your trust and support.
